1. Do you need to expand your networking circle?
2. When was the last time you left a networking event feeling more empowered?
3. How effective is your ROI after attending networking functions?
4. Would you like to combine Family Night Out with networking?

Join us for networking, education, dinner, & bowling ... it's ALL INCLUSIVE!

Networking is a necessity for business success! Getting to know each other on a personal and professional level is a must! People want to do business with whom they like & trust. At our last event, connections and alliances were made and business was passed. **So bring the spouse and kids along and make it a family affair! Come learn, share ideas, and form alliances in a fun, learning and relaxed atmosphere.** Space & Vending is limited.

Register NOW at: <http://www.eventbrite.com/event/621790793>. Vendors/Sponsors, we had a waiting list at the last event, **Register TODAY and lock out your competition!** **Networking Education** this month will be on effective infomercials and business card file usage.

Here's what people are saying:

“Emmy empowered us! Walls were down, people were comfortably talking. She also made sure we were doing our follow-ups afterwards.” *E. DuBois*

“Great time, made some valuable connections. Loved the combo of business, social and family. Emmy made networking comfortable & fun.” *A. Freeman III*
