

Network to Net-Wealth™

Business & Family Mixer

- *When was the last time you left a networking function feeling more **EMPOWERED**?*
- How effective is your ROI after attending networking functions?
- *Are you looking for a more effective, but **FUN** networking experience?*
- Would you like to combine family night OR date night with networking, food & bowling?

Network to Net-Wealth™ is all about YOU!

Increase your bottom line through strategic networking. A bi-monthly business and family mixer with the purpose of education and networking in a fun, pressure-free, business casual environment.

The focus is getting to know people on a personal level. That means meeting the partners, spouses and children. Make Friday night your business, family date night!

by popular demand featuring

Bob Yates

*Circle of Champions, CEO &
Public Speaking Training Expert*

Imagine being able to communicate with impact and supreme confidence to groups of people. One 20-minute speech to the right group of potential clients, prospects or superiors can open doors of opportunity that are closed to 95% of the population. *"The power of the platform is unparalleled!"* Bring your business to another dimension through the power of public speaking.

Sponsorship and Vending opportunities available.
